1	 A screenshot of a travel search interface. At the top, there's a search bar with placeholder text "Start your search". Below the search bar are several filters: "Farm", "Score", "National parks", "Earth tones", and "Trees". A map of India shows several locations with callouts: "₹1,636", "₹1,335", "₹2,442", "₹1,206", and "₹1,206". A specific location in Coimbatore, India, is highlighted with a green box and labeled "Guest favorite". This box contains a small image of a traditional Indian hut, the location name "Coimbatore, India", the date range "1-6 Apr", and the price "₹1,836 night". The bottom of the screen shows standard browser navigation icons.
